

Oasis: Who We Are

Kishore Bhatia

@BhatiaKishore

Bernard Lin

@Pblin

Alan Wang

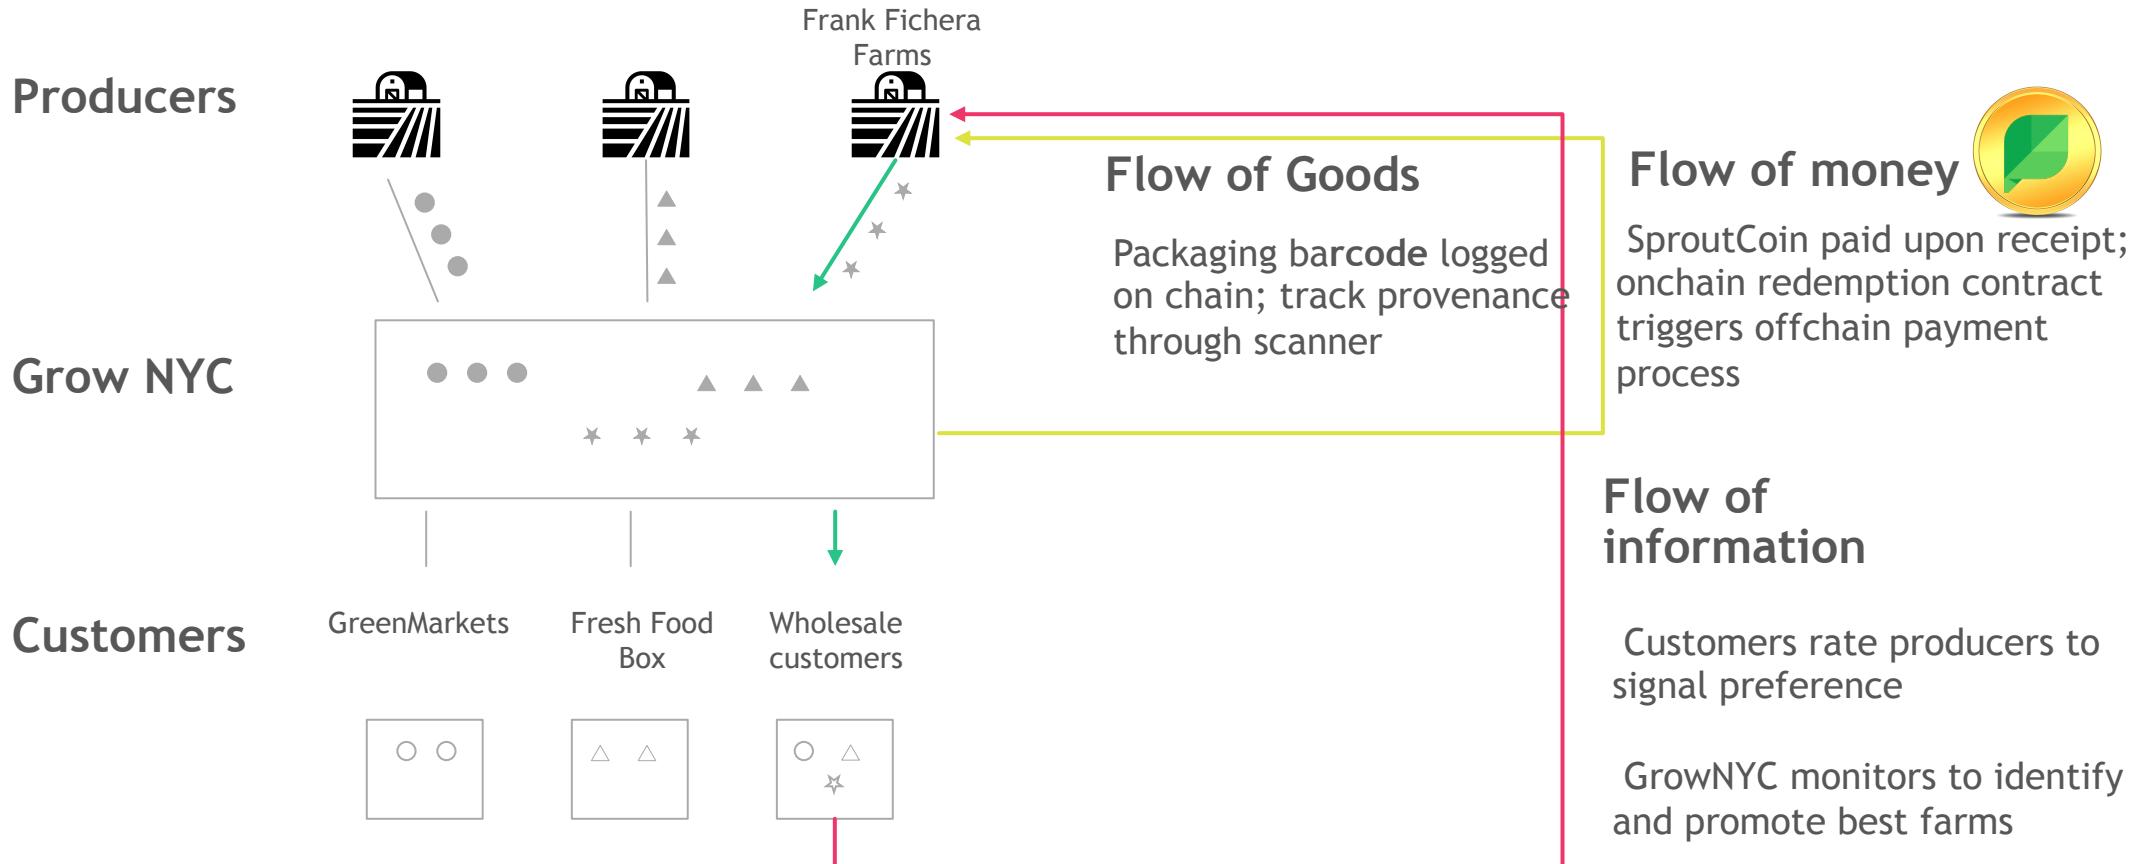

@Haohaoski

Ling Zhong

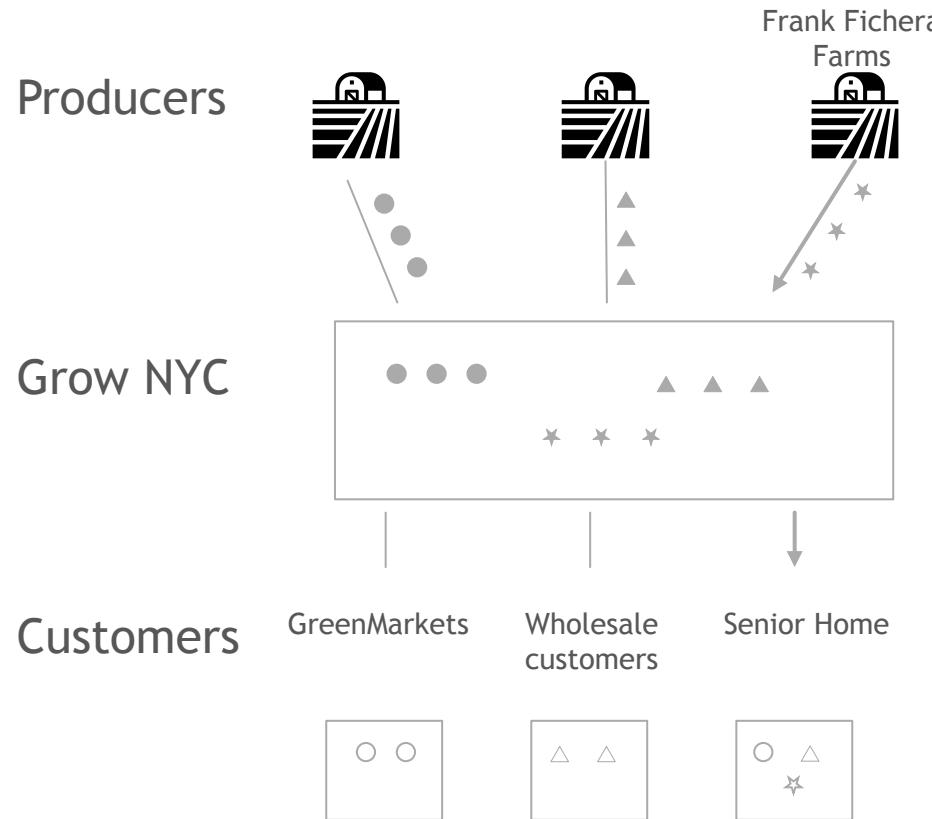

@blingalingz

Three features on a consortium chain to optimize the flow of goods, money and information

GrowNYC runs permissioned consortium chain with Quorum
Ecosystem will require ~20 wholesale customers as nodes, incentivized with SproutCoin

Oasis ecosystem overview

MVP Features

- Package barcode on chain with full readable provenance
- Payment in Sprout Token with redemption contract 
- End customers share to signal preference
